Juanita Broaddrick Meets the Press

By Dorothy Rabinowitz, a member of the Journal’s editorial board.

VAN BUREN, Ark.--To any reporter, it was the kind of story that doesn’t come along often in a career--an alleged 1978 sexual assault involving William Jefferson Clinton, then attorney general of Arkansas. From the viewpoint of Juanita Broaddrick, it has been a trial and concern ever since reports began emerging in the 1992 presidential campaign, through the Paula Jones...
